RE: HIPAA Compliance Attestation

Dear Mike:

Apgar & Associates, LLC attests that IAF Services is HIPAA compliant as of the date of this letter. This includes compliance with the administrative, physical and technical safeguards that are required to be implemented and continuously addressed to reasonably ensure ongoing compliance. IAF Services is compliant with the use and disclosure provisions of the HIPAA Privacy Rule as of the date of this letter. The attestation is based on a review of the mitigation recommendations included in the June 25, 2017 security risk analysis report.

IAF Services has mitigated the risks identified as a part of a risk analysis conducted by Apgar & Associates, LLC. Apgar & Associates, LLC assessed outstanding risks to IAF Services and its customers and IAF Services has implemented appropriate security controls. If you have any questions, don't hesitate to contact me.

Sincerely,

Chris Apgar, CISSP
